

## iStore Wi-Fi Reconnection Procedure

**STEP  
1**

Download HiSolar  
application on your  
mobile device.

**STEP  
2**

Open the application,  
select "Scan" and scan  
the QR code on the  
inverter sticker (right  
hand side of the  
inverter)

**STEP  
3**

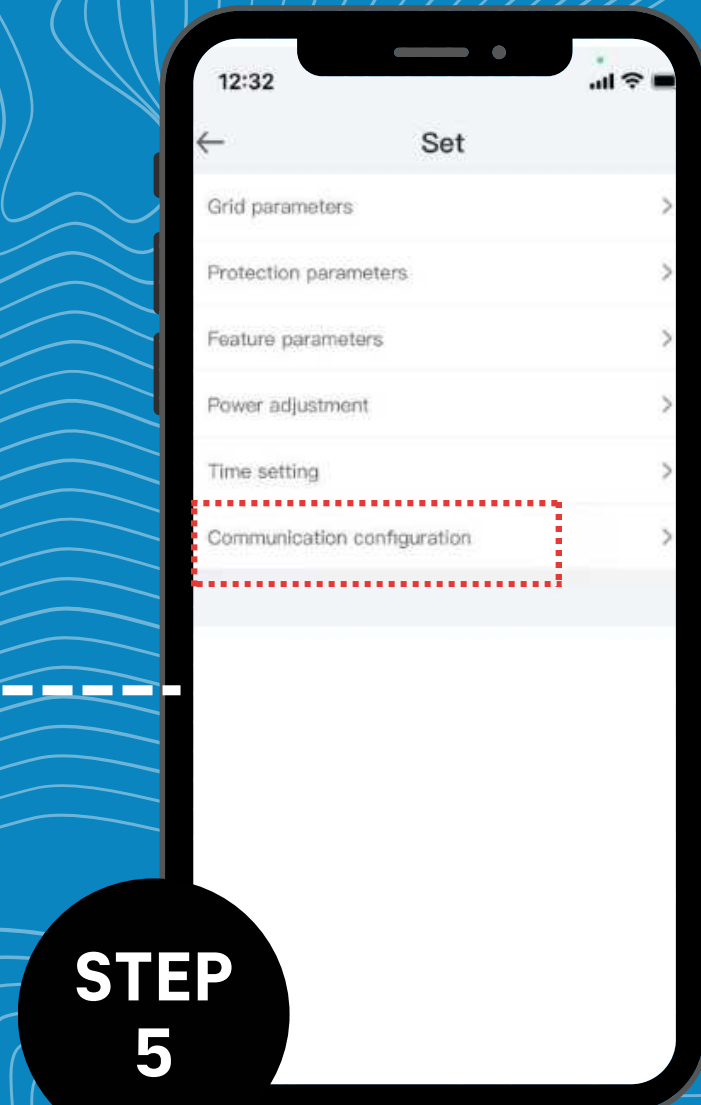

Select "Join"  
Once device is scanned, select "User"  
enter the inverter password  
(this password will have been set by  
the installer during the  
commissioning process, if unknown  
contact your installer).

**STEP  
4**

Select "Set" on the menu

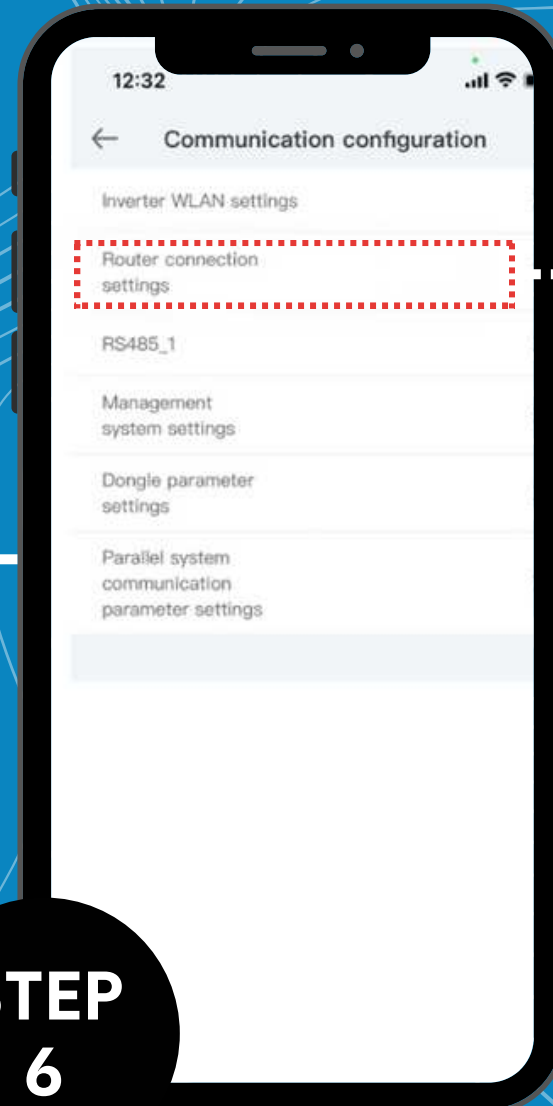

## iStore Wi-Fi Reconnection Procedure
